

# Intro to Q2!

# But first let's celebrate!

**Let's talk about what you've  
learned in just 5 weeks!!**

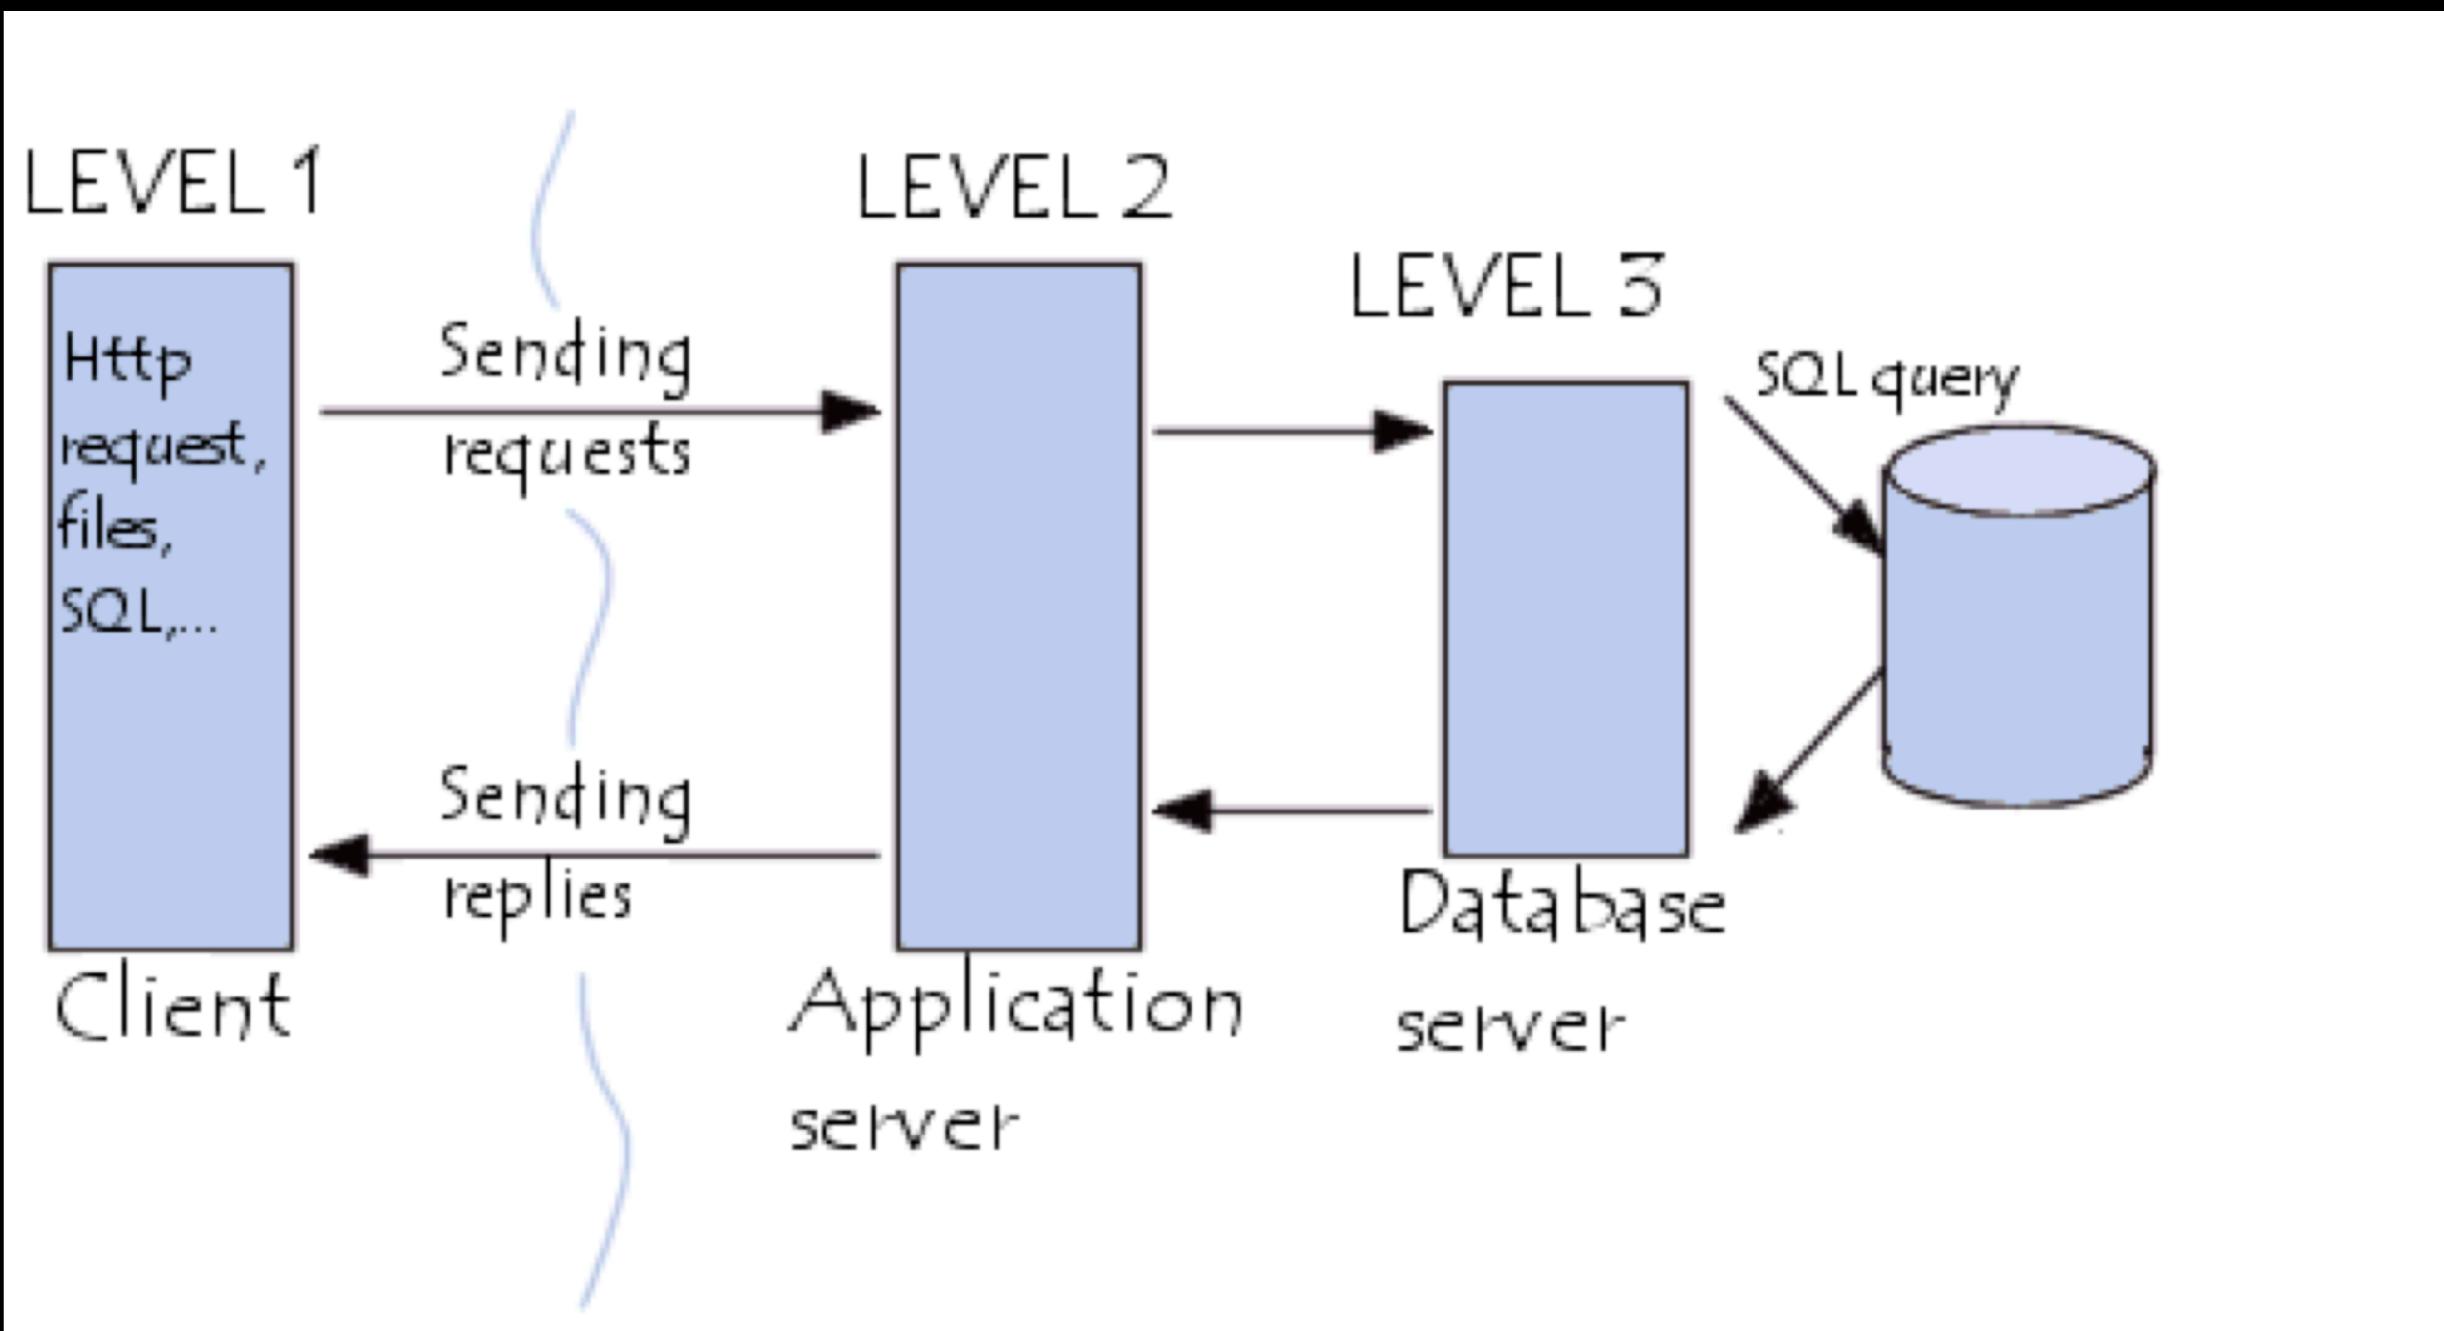

Let's reflect on what you are most proud of from Q1

# Vision Board

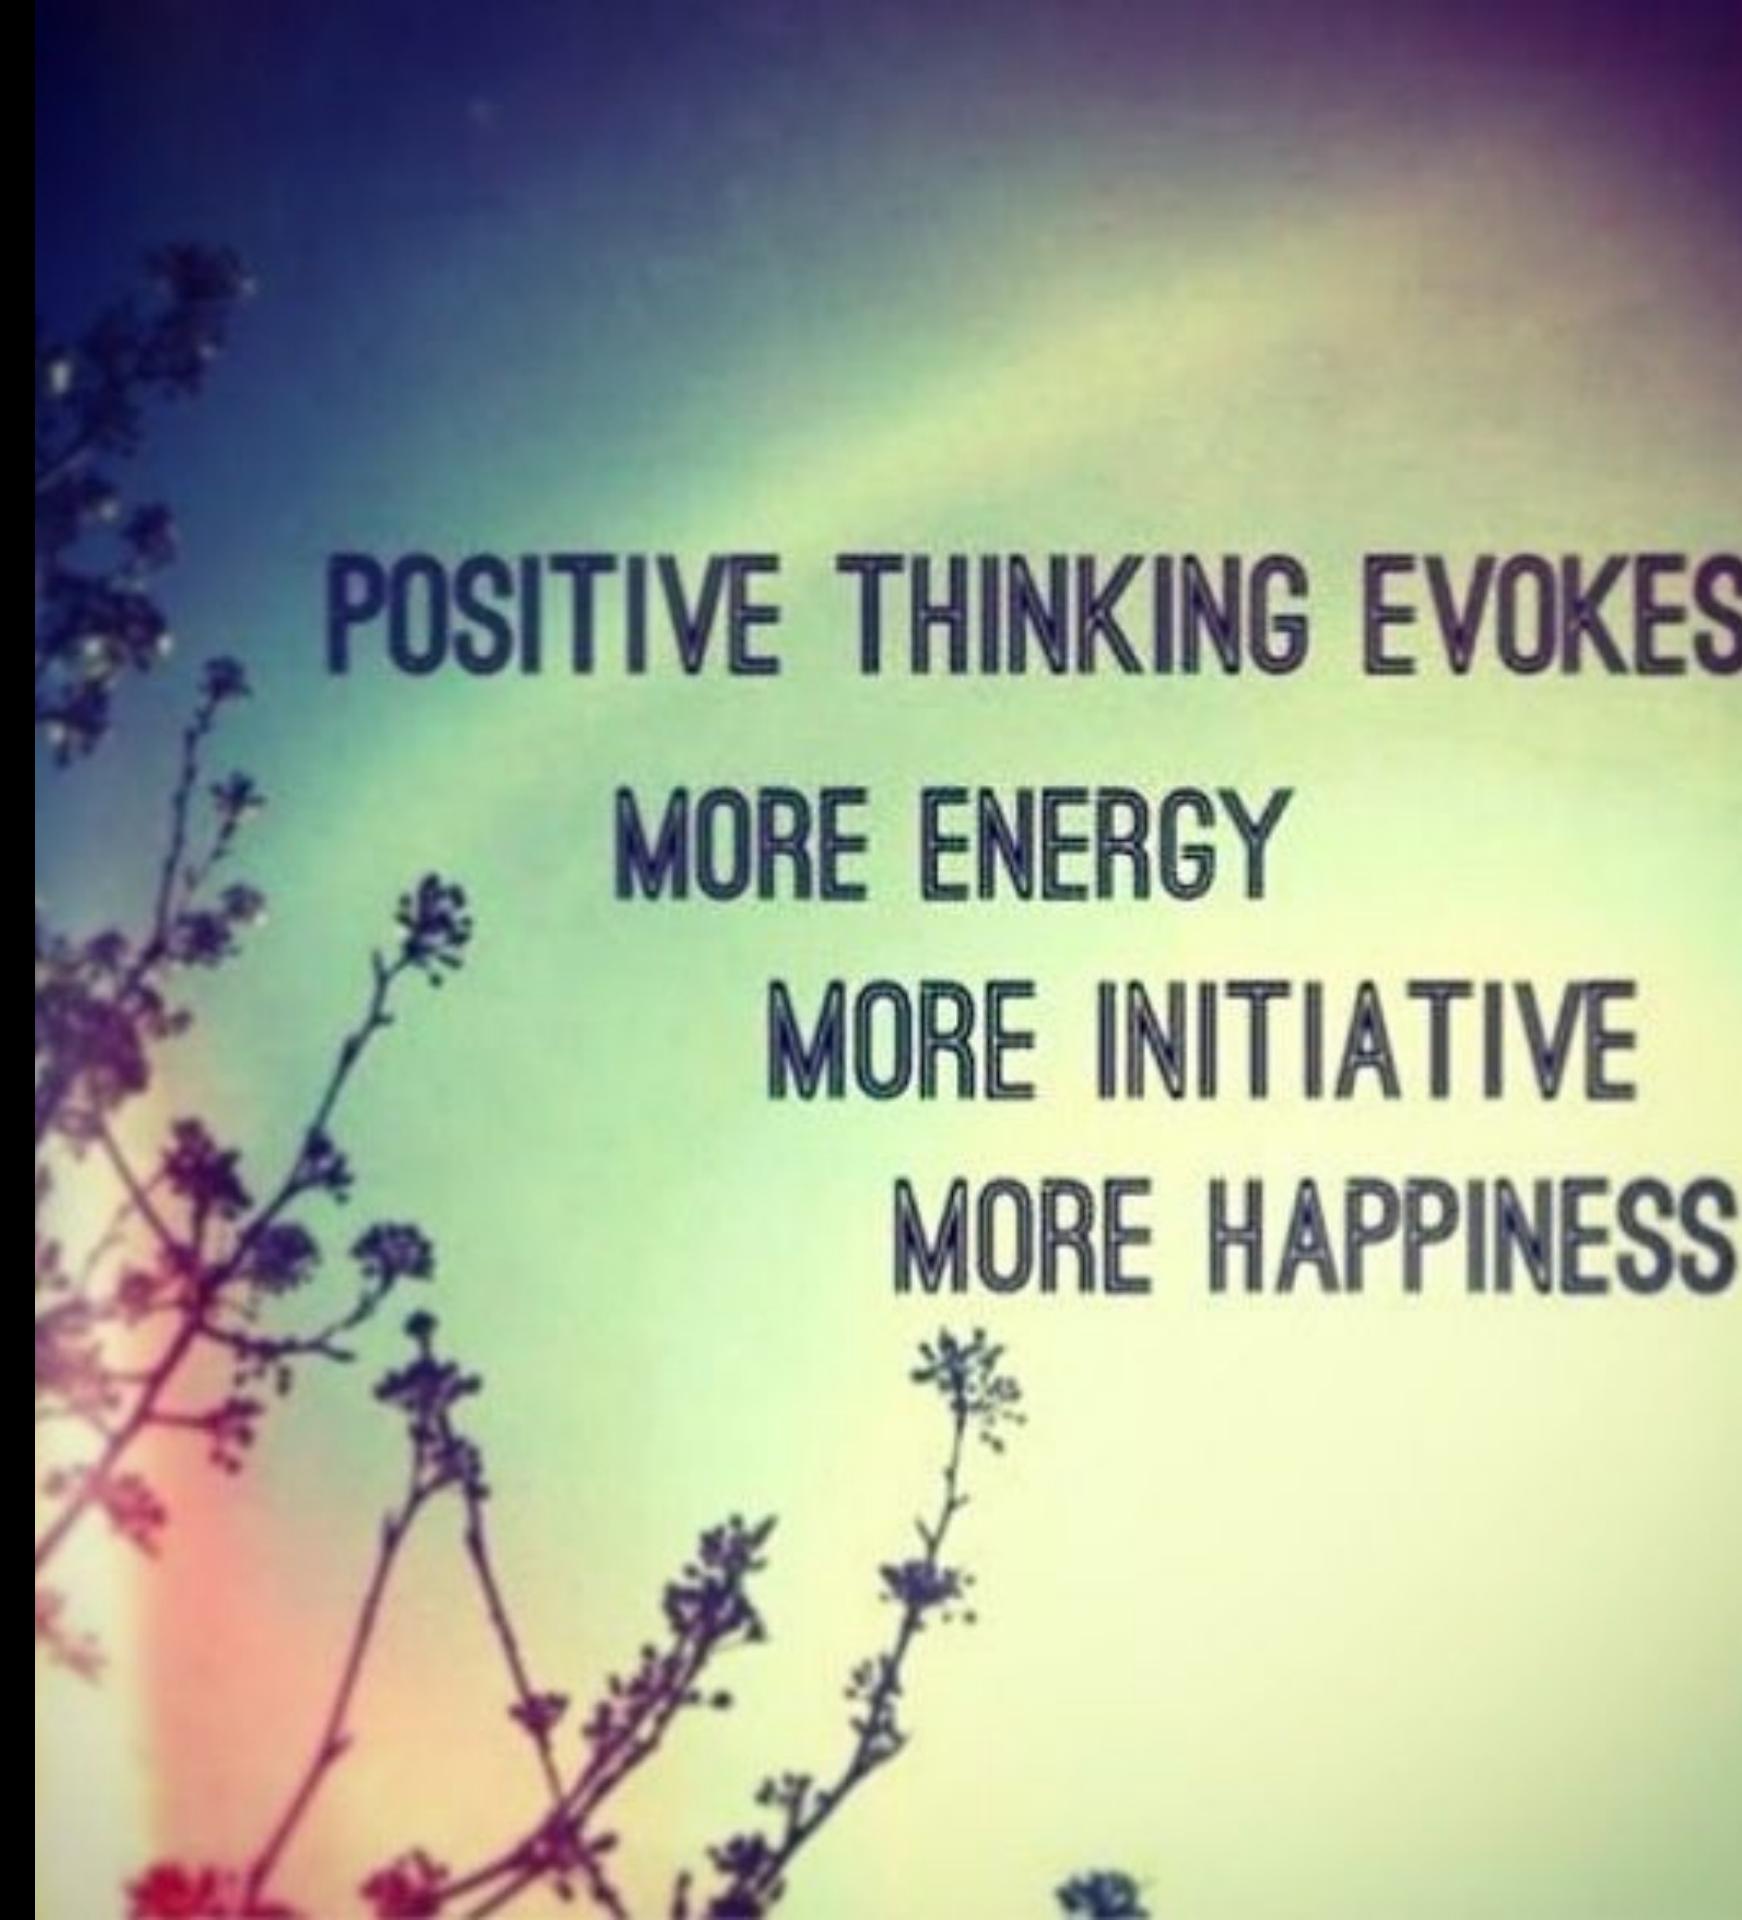

- Has your goal changed?
- Do you need to adjust your game plan with new techniques you've learned to deal with time management?
- Take a moment to update your vision board

# Now onto Quarter 2!

## Q2 Thoughts

- Show up everyday
- Stay positive, Growth Mindset
- Remind yourself of your goal
- Take breaks - Take time for self care

A close-up photograph of a person's hand holding a camera lens. The lens is pointed towards a scenic landscape featuring a lake, mountains, and a blue sky with white clouds. The background is blurred, emphasizing the lens and the view it captures.

## Q2 Focus

- Ask questions
- Pair Programming
- Build and Burns
- Limit Distractions

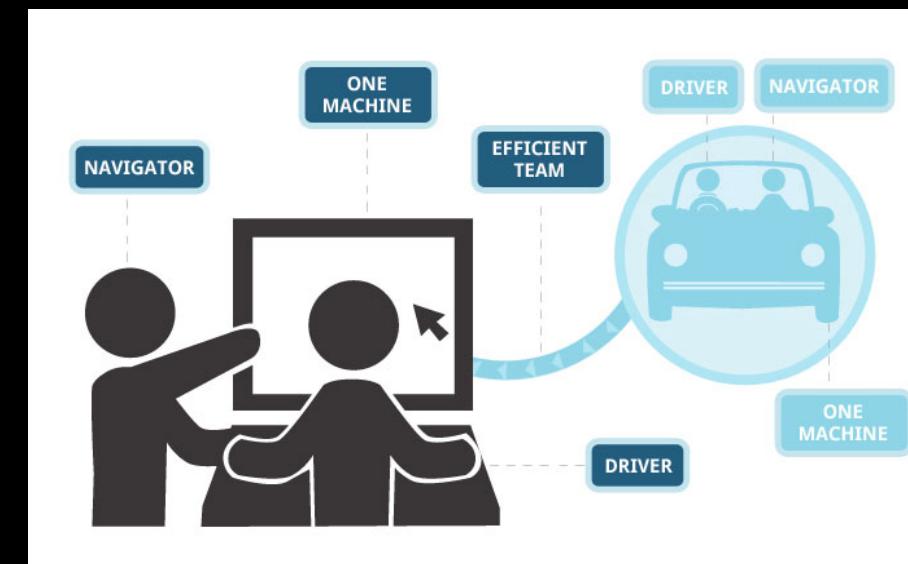

**After this quarter you will be a  
Full Stack Web Developer!!**

# Pair Programming

# Pair Programming

- What is pair programming?
- What are important rules to follow?
- What are sources of stress in pair programming?
- How can we overcome stress pain points?

# Five Etiquette Rules

- Discuss environment beforehand
  - Specific line numbers/identifiers
  - Terms of benefits when disagreeing
  - Feeling ill - Say so
  - Compliments!
